

More hands needed to save wildlife

AN OAKLEIGH animal lover has put out a call for more help to save injured native animals.

Michele Phillips needs more hands and more drivers to rescue possums and birds that get injured in storms or hit by cars.

The Oakleigh Wildlife Shelter regularly saves animals' lives.

If you can help, phone Ms Phillips on 0411 600 591.

Michele Phillips wants people to help her save injured animals. N36WG705
